

# Managed Print

Vector Tech Group's Managed Print Solution (MPS) gives you big picture visibility of your network print resources and centralized management of your devices. While you cut down on consumable, energy, and service costs, you will improve the productivity and efficiency of your digital and paper-based communication.

## VTG's MPS Benefits:

- ✓ Cut costs on print consumables, service, and cost-per-page
- ✓ Reduce energy use through device consolidation and upgrade
- ✓ Reduce waste when you order only the supplies you need
- ✓ Free up IT resources for more business-critical work
- ✓ Optimize efficiency with remote and lifecycle management
- ✓ Streamline operations with centralized support for multiple brands and models
- ✓ Increase uptime
- ✓ Gain visibility into print activity and trends with online tools

VTG has been a Premier Partner of Xerox for 20+ Years!
