

1-2-3 BaaS

At VTG we use a 1-2-3 backup format to securely backup your data to 2 physical locations and 1 cloud location. This approach to backing up your data ensures business continuity with minimal business disruptions.

1-2-3 Backup Formatting Offers Features Like:

Office 365 Emails, Calendar, Contacts, One-Drive, and SharePoint

3 – 2 -1 Best Practice Backup Strategy

Per User Per month pricing based on total storage needs

Onsite Company Network Data

Immutable Offsite Backup (Data that can not be altered, deleted or changed in any way)

VTG Business-Day Daily-Backup Monitoring
